**R612. Labor Commission, Industrial Accidents.**

**R612-1. Workers' Compensation Rules - Procedures.**

**R612-1-4. Discount.**

Eight percent shall be used for any discounting or present value calculations. Lump sums ordered by the Commission or for any attorney fees paid in a single up-front amount, or of any other sum being paid earlier than normally paid under a weekly benefit method shall be subject to the 8% discounting. The Commission shall create and make available a precise discount or present value table based on a 365-day year. For those instances where discount calculations are not routinely utilized or where the Commission's precise table is not available, the following table, which is a shortened version of the precise table, may be utilized by interpolating between the stated weeks and the related discount.
