Open Meeting Convened:

Deputy Commissioner Maughan convened the meeting at 9:00 am.

Business Items:

R616-3-3 Safety Codes and Rules for Elevators

Deputy Commissioner Maughan asked Mike Simmons to present this rule change.

Mike explained that this rule change adopts ICC/ANSI A117.1-2009 Chapters 407, 408 and 410 only and removes the International Building Code from the Division's list of adopted codes as it is adopted by the Department of Commerce and is enforced by Building Officials. This change properly aligns the codes adopted and enforced by the Division with the Division's authority as outlined in Rule R616-3-1.
