**1) R612-100-4 Designation as Informal Proceedings**

*The proposed rule change designates the assessment of penalty against an insurance carrier pursuant to Section 34A-2-205 as an informal process. It also adds the word "Section" to the references and adds "insurance carrier" to those entities that may have penalties assessed pursuant to 34A-2-407.*

**2) R612-200-1 Reporting and Investigating Injuries**

*The proposed rule change changes the timeframe for submitting a first report of injury from seven days to fourteen days. The change also establishes how an assessment will be issued and the review process for the assessment.*

**3) R612-300-4 General Method for Computing Medical Fees**

*The proposed rule change updates the incorporated references.*

**4) R612-300-5 Fees for Specific Procedures**

*The proposed rule change changes the CPT codes from 97001 through 97703 to 97001 through 97610 in subsection C (4). The change also changes subsection I from CPT code 801 to 80300.*

**5) R612-400-1 Policy Reporting by Carriers**

*The proposed rule change establishes the consequences of failure to report policy information and the process for the assessment of fines. It also establishes the procedures for review of those assessments.*
