Open Meeting Convened:

Deputy Commissioner Maughan convened the meeting at 2:02 pm.

Business Items:

R614-1 General Provisions

Chris Hill stated that within R614-1, there are four subsections being changed.

R614-1-1 has minor technical changes to clarify the name of the division.

R614-1-2 changes are made to clarify the name of the division and the scope of the rule. There is also some removal of unnecessary language.

R614-1-3 irrelevant language is removed, time frames are clarified as well as the division name. There is also renumbering because of the removal of language.

R614-1-4 updates the incorporated federal standards to the current standards and removes redundant language.

No Public Comment.

Deputy Commission Maughan stated that we will proceed with the rule change. These changes will become effective toward the end of December 2015.
