1) R602-2-4 - Attorney Fees in Workers Compensation Cases

The proposed change deletes this rule. This change is necessary due to the Supreme Court's decision in Injured Worker Association of Utah v. Utah, 2016 UT 21.

2) R612-200-2 - Attorney Fees

The proposed change removes the sections of this rule that deal with attorney fees. This change is necessary due to the Supreme Court's decision in Injured Worker Association of Utah v. Utah, 2016 UT 21.

3) R612 - Medical Fees

This proposed rule updates the medical fees and includes an increase to the anesthesiologist rate to \$57.

4) R612 - Reemployment

This proposed change deletes the rule.

5) R612-300-14 - Nurse practitioners

This is a new rule designating guidelines for nurse practitioners who prescribe Schedule II narcotics.

6) R612-400-5 - Premium Rates

The proposed rule sets the assessment rates for the ERF at 3.0% and for the UEF at 0.25% effective January 1, 2017.
