The screenshot shows a web interface for a secure email message. At the top left is the Postini logo. Below it is a header bar that reads "Secure Email Message From State of Utah". The main content area contains a header box with the following fields: "Date:", "From:", "To:", and "Subject:", each followed by a blurred email address. Below this box, there is a text prompt: "For first time users, [click here](#) to create your account." This is followed by a "Password:" label and an empty text input field. Below the input field are two buttons: "Open Message" and "Recover Message". To the right of the "Open Message" button is a checkbox labeled "Remember password". Below the "Recover Message" button is a small text description: "Request a new copy of this message that uses your current password." At the bottom left of the main content area, there are three blue hyperlinks: "Change Password", "Forgotten Password", and "Help". A red arrow points to the "Change Password" link. In the bottom right corner of the page, there is a small logo for "zixcorp." with the text "Secured by" to its left.
