

The Utah Labor Commission is the regulatory agency responsible for

## Boiler, Elevator & Coal Mine Safety Division

Salt Lake Office (801) 530-6850 or Toll Free (800) 530-5090

Price Office (435) 613-5901 or Toll Free (888) 9UT-MINE

The Division's challenge is to apply appropriate engineering and inspection standards to ensure the safety of Utah's boilers, pressure vessels, elevators and escalators. The Division also oversees Utah's Office of Coal Mine Safety.

Boiler/Pressure Vessel Inspection:

## Adjudication Division

(801) 530-6800 or Toll Free (800) 530-5090
