OSHA FORM 300 REMINDER

Utah Occupational Safety and Health (UOSH) reminds employers of their obligation to post a copy of **OSHA's Form 300A**, which summarizes job-related injuries and illnesses logged during 2015. The summary must be displayed in a common area where notices to employees are usually posted each year between February 1st and April 30th.

Businesses with 10 or fewer employees and those in certain low-hazard industries are exempt from OSHA recordkeeping and posting requirements. As of January 1st, 2015, certain previously exempt industries are now covered.

For a list of exempt industries, please visit OSHA's website using:

For a list of establishments that are NEWLY REQUIRED to keep records, please visit OSHA's website using:
