

Curriculum Vitae

Utah Licensure Number: 5878851-2501 (effective 05.11.2005 to 09.30.2024)
Iowa Licensure Number: 001054 (effective 07.01.2012 to 06.30.2024)
Arizona Licensure Number: PSY 004282 (effective 03.26.2012 to 05.31.2024)
Nevada Licensure Number: 0650 (effective 03.26.2012 to 12.31.2024)
New Mexico Licensure Number: 1261 (effective 03.12.2013 to 07.01.2024)
California Licensure Number: PSY 25766 (effective 06.07.2013 to 05.31.2023)
Nebraska Licensure Number: 300523 (effective 02.01.2017 to 02.01.2018; expired)
National Register of Health Service Providers in Psychology #51525
Certified Forensic Examiner, State of Utah

Education

1991 A.A., North Iowa Area Community College
1994 B.A., Sociology, University of Iowa
1998 M.A., Counseling Psychology, St. Mary's University of Minnesota
1999 M.A., Clinical Psychology, CSPP at Alliant International University
2004 Ph.D., Clinical Psychology, CSPP at Alliant International University
2010 M.A., New Mexico State University; Clinical Psychopharmacology

Employment

Private Practice: Founder and President of The Institute of Forensic and Neuropsychology

Clinical, Forensic and Neuropsychology (07/05-present)

- Civil and criminal consultation
- Caseload of therapeutic patients with CBT provided
- Evidenced based practice (CPT for trauma related issues)
- Disability
- Workers Compensation
- Vocational rehabilitation
- Risk Assessment
- Mitigation
- Death penalty (capital cases)
- Personal injury
- Pre-surgical evaluations (bariatric and spinal cord stimulator)
- Psychological evaluations (e.g., PTSD; learning disability; depression; psychosis, etc)

- Federal Aviation Administration evaluations
- Sexually violent predator evaluations
- Law Enforcement evaluations
- Neuropsychological evaluations (e.g., dementia; MS; Parkinson's; CVA; TBI)

*Forensic Psychologist Consultant to the Iowa Medical and Classification Center
(2007-April 2017)*

- Conduct monthly competency to stand trial, NGRI, and neuropsychological and psychological evaluations for the State of Iowa

Forensic Psychologist Consultant to the New Mexico Behavioral Health Institute (June 2013 – March 2022)

- Conduct monthly competency to stand trial, dangerousness, and neuropsychological and psychological evaluations for the State of New Mexico

Dixie Regional Medical Center-SW Neurology Associates (05/05-04/12)

Job Title: Clinical Neuropsychologist (Full-time)

- Working as part of a multidisciplinary team providing in- and outpatient services to patients with a variety of neurological disorders
- Member of the Division of Psychiatry
- Responsible for developing the neuropsychological program at DRMC
- Member of the Medical Committee with full admission and voting privileges
- Member of the Stroke Committee
- Member of the Pharmacy and Therapeutics Committee
- Supervision of graduate students (Southern Utah University)

US Behavioral Health Plan of California: San Diego, CA (02/01-08/02)

Job Title: Intake Counselor

Supervisor: Georgina Gould, M.S.

- Responsible for evaluation and authorization of individual treatment plans
- Responsible for authorization of inpatient admissions and outpatient treatment
- Documented referrals and clinical notes for members

Fairview-University Medical Center: Minneapolis, MN (10/96-8/98)

Job Title: Inpatient Psychiatric Technician

- Responsible for the delivery of patient care, and promotion of a therapeutic environment as delegated by and under the supervision of the psychiatrist so that the goals and objectives of treatment are achieved
- Proficient in ECT preparation including vital signs and attachment of equipment
- Provided daily activities for all psychiatric residents
- Supervised high risk patients

Gerard Treatment Programs: Austin, MN (1/95-5/96)

Job Title: In-Home Family Counselor

Supervisor: Linda Vold, LCSW

- Worked as part of a multidisciplinary team providing outpatient mental health services to families
- Provided community based evaluations to referring agencies
- Formulated treatment plans and utilized solution-focused therapy

Post-Doctoral Training

Baylor University, Department of Psychology and Neuroscience (08/03-05/05)

Job Title: Post-Doctoral Research Fellow/Adjunct Assistant Professor

Research Supervisor: Matthew S. Stanford, Ph.D.

Clinical Supervisor: M. David Rudd, Ph.D., ABPP

- Co-Director of the Baylor Evaluation and Assessment Resource (BEAR) Clinic
- Responsible for daily operations of the research lab
- Supervised graduate students' clinical and research activities
- Provided mental health services (disability evaluations) to underserved populations (e.g., homeless)
- Conducted independent research projects (e.g., dementia, decision-making, working memory, aggression, domestic violence, and impulsivity)
- Instructed classes for senior faculty at graduate (intelligence assessment) and undergraduate (research methods) levels.
- Provided individual therapy to students at the Baylor Counseling Center (BCC)
- Performed neuropsychological, intellectual, academic, and personality assessments for a variety of referrals (e.g., LD, head trauma, dementia)
- Taught Introduction to Forensic Psychology (undergraduate level)
- Developed and Instructed the Neuropsychology Clinic Seminar (graduate level)
- Presented at both regional and national conferences
- Responsible for the development of neuropsychological services at the Wesley Woods Alzheimer's Disease Care Center

Internship Training

SW Neurology Associates and Southern Utah Behavioral Services: St. George, UT

Job Title: Intern (to complete 400 hours)

Major rotation #1: Psychology and Neurology

Supervisor: Lucian De Saibro, M.D. (Neurology)

- Treating patients with neurological and psychiatric disorders
- Recommended medication intervention for patient

Florida State Hospital (APA Accredited): Chattahoochee, FL (08/02-08/03)

Job Title: Psychology Intern (2000 hours)

Major Rotation #1: Forensic Admissions-Maximum Security (Unit 24)

Supervisor: Karen Johnson, Ph.D.

- Provided therapeutic services to civilly and criminally committed individuals
- Performed neuropsychological, intellectual, academic, and personality assessments for a variety of referrals
- Worked as part of a multidisciplinary team providing forensic services to a forensic population
- Attended and participated in transfer review board
- Performed competency evaluations for the Florida Court system

Major Rotation #2: Central Forensic Services-Medium Security (Unit 25)

Supervisor: Alan Steed, Ph.D.

- Worked as part of a multidisciplinary team providing forensic services to a forensic population
- Provided therapeutic services to chronically and persistently mentally ill patients adjudicated incompetent to proceed or not guilty by reason of insanity
- Performed intellectual, personality, academic, and neuropsychological assessments for a variety of referrals
- Prepared clinical summaries and competency evaluations for the Florida Court system

Major Rotation #3: Mentally Retarded Defendant Program (MRDP: Unit 29)

Supervisor: Gary Simmons, Ph.D.

- Worked as part of a multidisciplinary team providing forensic services to a forensic population
- Screened potential residents for transfer to MRDP
- Conducted competency to stand trial evaluations for the Florida Court system
- Provided crises interventions when needed

Minor Rotation #1: Florida State University Regional Multidisciplinary Evaluation and Consulting Center (APA Accredited)

Supervisors: Beverly Atkeson, Ph.D., and Anne Selvey, Ph.D.

- Performed intellectual, cognitive, academic achievement, and emotional assessments for schools in the northern region of Florida.

- Provided services to pre-kindergarten, elementary, middle and high school students

Minor Rotation #2: Neuropsychological Assessment

Supervisor: Alan Steed, Ph.D.

- Conducted brief and full neuropsychological assessments with written reports for a wide range of referrals (e.g., malingering, chemical exposure, dementia, stroke, Parkinson's, Multiple Sclerosis, substance use, traumatic brain injury)
- Attended and participated in neurology rounds, neuroleptic review clinic, and movement disorder clinic (full year)
- Attended weekly seminars (full year)
- Performed suicide reviews
- Attended and participated in emergency treatment orders (ETO) for high-risk patients (full year)
- Carried both long- and short-term therapy clients many of which were from ethnically diverse populations (full year)

Practicum Experience

Internal Medicine: St. George, UT

Job title: Practicum Student (80 hours)

Supervisors: Drs. Jerry Hagen and Tom Jones

- Worked under the tutelage of two internal medicine physicians in inpatient and outpatient settings.
- Learned and provided history and physical assessments
- Discussed medication, surgical and other interventions for their patients

UCSD/VA Medical Center: San Diego, CA (07/00-09/00)

Job Title: Practicum Student (380 hours)

Supervisor: Jeffrey Matloff, Ph.D.

- Worked as part of a multidisciplinary team providing outpatient services to veterans on an outpatient basis (PTSD Clinic Team [PCT])
- Performed individual therapy, co-facilitated groups, and conducted intake assessments

Sharp Memorial Rehabilitation Hospital-Neuropsychological Center: San Diego, CA (09/99-08/00)

Job Title: Psychology Intern (1000 hours)

Supervisor: Barbara Schrock, Ph.D., ABPP-CN

- Worked as part of a multidisciplinary team providing inpatient, outpatient, and residential services to patients with neuropsychological disorders

- Performed intellectual, personality, academic, and neuropsychological assessments with full reports
- Exposed to a comprehensive rehabilitation continuum with a neurorehab population including stroke as well as traumatic brain and spinal cord injuries
- Conducted a support group for mild traumatic brain injured patients

UCSD/VA Medical Center: San Diego, CA (06/99-09/99)

Job Title: Practicum student (500 hours)

Supervisors: Eric Granholm, III, Ph.D., and Jeffrey Matloff, Ph.D.

- Co-facilitated several groups including PTSD orientation and dual diagnoses
- Performed neuropsychological, intellectual, and personality assessments
- Conducted intakes and carried a caseload of therapy clients
- Worked as part of a multidisciplinary team providing outpatient services to veterans

Psychological Consultants of Southern Minnesota: Minneapolis, MN (1/98-08/98)

Job Title: Practicum student (600 hours)

Supervisors: Paul Reitman, Ph.D., and Richard Ugland, Ed.D.

- Responsible for case reviews of independent medical examinations (IME) for no fault cases, worker's compensation, and social security disability claims for the Federal Courts
- Conducted SVP evaluations for the State of Minnesota
- Administered intellectual and personality tests
- Observed and assisted in clinical interviewing, court room preparation, and literature searches
- Observed many civil and criminal cases
- Participated in Competency and Criminal Responsibility evaluations

Iowa Department of Corrections: Cedar Rapids, IA (01/94-12/94)

Job Title: Student intern (120 hours)

Supervisor: Gene Tang

- Organized and presented case materials to the Iowa Courts on parole revocation hearings
- Performed drug screening when warranted
- Assisted in the supervision process of rehabilitating clients into the community as designated by the court

Psychological Assistantship

Centinela State Prison: Imperial, CA (10/00-01/02)

Job Title: Psychological Assistant

Supervisors: Larry Stineford, Ph.D., and Alan Abrams, M.D., J.D.

- Worked as part of a multidisciplinary team providing correctional services to an incarcerated population
- Performed brief neuropsychological, intellectual, and personality assessments
- Provided short- and long-term individual therapy to incarcerated individuals
- Performed Board of Prison Term (BPT) evaluations for the California Department of Corrections
- Participated in NGRI, sexually violent predator, and competency to stand trial evaluations

Teaching Experience

Undergraduate course, Baylor University:

Introduction to Forensic Psychology (Summer 2004)

Graduate course, Baylor University:

Neuropsychology Clinic Seminar (Spring & Summer 2004)

Teaching Assistantships

Graduate Courses, Alliant International University:

Foundations of Assessment: Rorschach Assessment (Spring 2000)

Professor/Supervisor: Beatrice Netter, Ph.D.

Personality Theory: Psychodynamic (Fall 2001)

Professor/Supervisor: Gay Parnell, Ph.D.

Object Relations Theory (Spring 2002)

Professor/Supervisor: Gay Parnell, Ph.D.

Grant Support

American Academy of Forensic Psychology (2003): \$500

American Psychology-Law Society (2003): \$400

Research Experience

Undergraduate:

University of Iowa: Iowa City, IA (1994)

- Analyzed and placed data into SPSS files

Graduate:

Alliant International University: San Diego, CA (1998-99)

Job Title: Research Assistant
Supervisor: Donald J. Viglione, Ph.D.

- Involved in malingering and assessment research
- Assisted in editing the Rorschach Supplementary Workbook

Alliant International University: San Diego, CA (1999)

Job Title: Research Assistant
Supervisor: Alan Lincoln, Ph.D.

- Assisted doctoral students in collecting and data input
- Performed psychological testing as a part of research protocols

San Diego State University Center for Behavioral and Epidemiological Studies: San Diego, CA (2000-01)

Job Title: Research Assistant
Supervisor: Mel Hovell, Ph.D.

- Trained in motivational interviewing and brief therapy techniques
- Trained in smoking cessation using a manualized intervention
- Responsible for educating families on the health consequences of environmental tobacco smoke

Current Research Projects

Performance Validity Testing
Validation of an Aggression Scale
Inventory of Legal Knowledge
MMPI -2 and MMPI-RF in criminal settings

Areas of Research Interest

Violence and aggressive behavior
Symptom Validity Testing
Symptom Exaggeration
Psychological Test Development
Criminal and Civil

Psychological Test Development
